
ABRAHAM'S COVENANT CONFIRMED

Thank you, Brother Sullivan. You can be seated.

² Good to be out at the house of the Lord again, tonight, this place which serves that purpose. And I am very grateful for this opportunity to minister again, tonight.

³ Last night we had an exceedingly, abundantly great time, I did anyhow. The Lord poured out His blessings upon me, till I—I couldn't sleep half the night. And then He, I was reading a little article, someone wrote me a letter, and sent a little piece in the paper, and the Lord gave me of a—an outstanding thought on it. If He being willing, tomorrow afternoon I want to express it, right here at the . . . preach on it tomorrow afternoon, on my afternoon meeting.

⁴ Now, we're having, the reason we are doing, having the *afternoon* meeting. . . Now, Brother Sullivan invited me up to fellowship with his people, and you people here, and he opened it up in the armory, so that it wouldn't altogether be in his church; I think that's real gentleman-like. Don't you think so? Real brotherly.

⁵ Another thing we decided, that we thought it would be nice if we didn't have a Sunday night service, so that you people would not miss any of your regular services. You could have Sunday school, and then also have Sunday night service. And some of you members of the churches, I—I wish that you would express that to your pastor, if he isn't in the meeting, that that's the reason we do that. We are not here to try to—to hinder the—the cause of Christ, we are here to try to help the cause of Christ, trying to do all we can to cooperate together in every measure that we can to help the people.

⁶ And instead of Brother Sullivan just saying, "Well now, we'll just have it up to my church," why, he put it in the auditorium, and so that everybody can see that it was no selfish motive.

⁷ And then, instead of having it on Sunday night, we make it Sunday afternoon, which is always a smaller crowds on Sunday afternoon, than it is Sunday night. But we—we are not here for money, we are not here to see how many people we can attract, we are only here to try to put our part in for the Kingdom of God, to help everybody, that's what we're here for.

⁸ Now, this is off the record, and Brother Sullivan don't know that I know this, but I know, up to this time, he's short on the finances of the meeting. Now, tomorrow afternoon will not be a love offering, it'll be an expense offering. And if the expenses isn't made tomorrow

afternoon, I'll wire home, immediately, to the church, and we'll pay every penny of it off before we leave this city. There'll not be nothing left, no debts we leave behind. We don't make, don't get the expenses tomorrow afternoon in the love offering . . . You make it a love offering to the Lord Jesus instead of me, so it can go to pay the debts.

⁹ Now, Brother Sullivan was going to pay that himself, but he ain't going to do that. No, I ain't going to let him do that. No, we're—we're going to do it ourself. And then if there isn't sufficient to finish the—the meeting, then I will find out, and we'll wire the money up here from our own church at Jeffersonville to finish the debt, to finish the . . . so everything is paid off, the chairs, the auditorium, and the advertisement, whatever that was in it, we'll pay it all off, to see that it's paid off. It won't be no—no—no more than right to the, to Brother Sullivan, and the people.

¹⁰ Now, if you would, I wish that you would, if your pastor isn't here, if you would invite the church to come out tomorrow afternoon, it'll be a prophetic message that I think that, seems to me that the Holy Spirit laid upon my heart, after reading an article today, that I should bring that message, tomorrow.

¹¹ And now, then the next services that I have, as far as I know, is Easter Sunday at the tabernacle, where there'll be baptismal services, and so forth. Then we go to Bloomington, Illinois. Brother Sullivan invited me to stay a couple days of next week, if I could, I'm just too tired to do it friends. My throats gone, I—I'm just, I've been in services since Christmas, see, and I'm really, really tired, and look forward to this three, or four, or five days, whatever it is there, to—to rest.

¹² And I can't stay at home to do that, I'll just have to go out somewhere and rest, because I've got Sunday through Sunday; and then I go from there to Chicago, Sunday through Sunday; and then from there to—to Grande Prairie, British Colo- . . . , or, Alberta; and from there to—to Dawson Creek, British Colombia; and perhaps, Fort St. John, on and on; and down in Miami, Florida; and maybe over here at Washington, DC, this summer in a big tent, the Lord willing.

¹³ The Businessmen there sent word down, the other night, so lovely, when we was in Richmond the Businessmen of Washington, DC sent me a special letter that the meeting we had there that night, one night, I believe it was in Congress Hall, or—or some hall there in Washington, they want, come back again and put up a great big tent, and they said if we didn't make the expenses down at Richmond, why, they would just not say nothing about it, they'd make it themselves, the Christian Businessmen.

14 Now, that's really standing by you, but the Lord come in, and we made the expenses, everything, all went all right at Richmond, so I may be going up there, if not a meeting, just for the fellowship of those precious brothers, who you're standing by in—in times like that.

15 Now, but be sure to remember tomorrow afternoon, if . . . that'll begin, I guess Brother Sullivan has already tell, two o'clock. And say, by the way, if we—if we don't . . . I believe they give out some cards last night, I believe Billy told me they give out cards last night, number A's, and I got too late to call—call them up here to pray for them, I'll try to get them tonight, if I can, if I don't, I'll sure get them tomorrow.

16 And I'll have him come down tomorrow, and in the afternoon, we can keep running over, over, over, a little later if we have to. Say we're going in at four o'clock, well, we can run over to five, and we can get everybody prayed for. And then if they're going to . . . If you got any sick people now, that you want me to pray for, I have a very strange feeling about some things, so you better have them here tomorrow. See? And so it may be after while, that you won't hear me no more, so if you want me to pray for your loved ones, then you—you bring them in tomorrow afternoon, you see. And—and then we'll give them a prayer card.

17 If they start at two you better be here by quarter after one, or one thirty, at the least, you see. And I'll have Brother Leo, Gene, and Billy, and them to come down and give the people their prayer cards, whatever you . . . anybody that wants a prayer card. And you know the system, the way we do them, we, tomorrow, we probably just give them out, because we're just going to try to see how many of the people is sick that wants to be prayed for.

18 Now, before we go any farther, let's speak to our great, royal Master, the Lord Jesus, in Whom we have our infinite trust in Him and His amazing grace. How many would like to be remembered in prayer? Just let it be known by an uplifted hand. The Lord bless you, my people, while we bow our heads.

19 Our Most Holy and Righteous God and Father, we come into Thy Presence, tonight, with humble hearts and—and spirits that are ready and willing to receive of Thy Message. We would ask You to anoint us, Lord, to finish this chapter on Abraham, and his children after him. I pray that You'll bless the message tonight, and the messenger, and those who receive it. Get glory unto Thyself, and if it be Thy will that we pray for the sick, may there be an exceeding, abundance of joy and power among us, tonight. Save those who are not saved, heal those who are not healed, fill with the Holy Spirit those that are seeking Your power and blessings, give grace to us all. For we ask it, in Jesus' Name. Amen.

20 I believe the boys has been giving out a little book here, I think is called, oh, yes, the Christian Businessmen's *Voice*. How many has got it? That's good. If you haven't got it, get it tonight as you go out.

21 Gene, I wonder if I could ask you, or somebody, get the boys at the doors, wherever they go out, or somebody. What are they selling them for? They're ten cents?

22 If you haven't got the ten cent, take it anyhow, I'll pay for it, see. I want you to read this testimony here, of the vision. Just, I want every person in here to have one. If you—if you can't, why you just charge them to me. And everyone be sure to get one, tonight. They're—they're the *Voice* of the Christian Businessmen.

23 And they wrote a vision in there that the Lord gave me recently, and it just set my heart afire. I . . . They don't have it all in here. Brother Tommy Hicks, or, Tommy, can't think of his name, the editor, just now, Nickel (Thank you, Brother Gene.), Brother Tommy Nickel wrote it, but he—he didn't put it all in there, but it was . . . He never put in there about when I seen my, I don't think put it in there, anyhow, about seeing my dog, and my horse coming to me, you see. I think, maybe that's questioned amongst people when they think of animals being in the Kingdom, but they are.

24 Where is those horses that come, got Elijah? Where is that one Jesus is coming, riding on, the armies of Heaven? See? When is the wolf and the lamb going to feed together? See? Sure. They just think . . . We just get our cut ideas, and—and if something don't suit that, well then, we just don't want nothing to do with it; that's what the trouble. But, however, that's all right. And there's enough there . . . And then you notice down at the bottom, it had . . . Did you read the little, little inset at the bottom, about raising the dead?

25 Now remember, before you publish anything, you have to be able to prove that. So we've got documented statements from doctors, mayors of the city, and so forth like that, that doctors pronounced them dead, and gone for as many as eight and ten hours, and coming back to life again, through prayer; so it's a documented statement. This book goes all over the world, and translated in different languages, and everything, just like a *Reader's Digest*, amongst the Christian people, and it has to be authentic, and you have to prove those things when you say them. You have to be . . .

26 So the one they got to prove was, before he could write that, was down there in Mexico, about three years ago when I was down there, and that little Spanish woman, holding that baby that died that morning at nine o'clock, and the Lord raised it back to life at ten o'clock that night in the meeting, and was kicking under that blanket.

Standing there, thirty thousand people, about, just standing, leaning against one another since early that morning, all day in the rain, and everything, just to hear the Gospel. So, people like that is . . . God will do exceeding abundance for people when they come together like that, and will believe, and humble their hearts down before God.

27 Now I want to read that Scripture over that I read last night, 'cause I want to finish up on that same subject; and we won't stay long tonight.

28 Now, you visitors, here, you know where the Full Gospel Tabernacle is, where Brother Sullivan is pastor? All right. That's a good place to go in the morning. You live close to any of these other Full Gospel churches around here, that's a good place to go for hear the Word of the Lord. So now, attend Sunday school somewhere, tomorrow. Just hold your colors, and stay at the post of duty.

29 Now I believe I'm reading from Genesis, the 22nd chapter, and the 14th verse:

And Abraham called the name of the place Jehovah-jireh: as it is said unto this day, In the mount of the LORD it shall be seen.

30 The reason I read the Scripture is because, if what I say doesn't take effect, surely What He said, will take effect. My word is the word of a man, it'll fail; God's Word is His Own Word, and It cannot fail.

31 And the word *Jehovah-jireh* means, "the Lord has provided for Himself a sacrifice."

32 Now, last night, did you enjoy that lesson on it last night? My son, Billy, which is in back of the building now, he goes back there to listen to see if he can hear, he said it's very, very much mumbled up, you know, you—you can't hear good. So that's the reason, instead of preaching, I just thought I would kind of talk on the Word awhile, and maybe you could hear a little better.

33 See, these armories like this, flat buildings, wasn't made for meetings like this, they're for basketball, and training, the ceiling is not made right, the acoustics are very, very poor. But we're thankful to the United States Army for the privilege of having a shelter over us tonight, and to come into this place, and we thank them very kindly, the Lord ever bless them.

34 Now, we took Abraham last night, and Abraham's Seed after him. And, oh, what a blessing we got to show! And, to me, how could anyone have one room of doubt of any way, when you see what God promised, and then what God did? It's just like reading the Bible, where It predicts something will happen, then take history and see where it happened.

35 Now, God said that He would bless this blessing and promise upon Abraham and his Seed after him. And we find out, just exactly, each

stage that God visit Abraham, He did the same thing to Abraham's Seed after him.

36 Then where did we find ourself last night, brethren? We found ourself at the very end of the road, right down at the last thing, and the Church receiving Its last sign, and then to bless it all, He came in among us, last night, and went throughout the audience and done the same thing He did at Sodom. Where could there be any slip-up? Where could we be mistaken at?

37 Then the night before that, we taken Israel in the wilderness, and showed just exactly what the church, Israel. . . Now, we find out in First Corinthians, the 10th chapter, It said that all those things happened to Israel for examples to us. Now, we find out that they was examples, showing what God did for them is just a shadow of . . . what He does there, what He did, natural, He is doing spiritual.

38 You notice in the Bible, the 12th chapter, the woman in the 12th chapter of Revelation, with the moon under her feet, and the sun at her head, showing the law fading out. As soon as the sun rises, the moon goes down; the moon is a wife to the sun. Oh, I—I love that kind of Bible reading!

39 See, the sun and the moon is a type of Christ and the Church. When the sun goes down, out of sight, it's not down, it's just out of sight to the world, it reflects its light back to the moon to give light in its absence. So that's what Christ did when He went into Glory, He reflects His Light back on His Church, to give Light until He returns. Beautiful! Oh, my, to think that the sun, if you want, reflecting its light on the—the moon to show light! And the light . . .

40 Also, the moon itself is a watchdog, God set the boundaries of the sea, and set the moon to watch it. And the sea, how angry it jumps at the bank, it'll like to destroy everything on the earth because it did one time, you know.

41 And to see sin, heaping, that's the waves, beat those big waves against the bank. And remember, in the last days was predicted tidal waves, sea roaring, men's hearts failing, fear, perplexity of nations, distress; that would be the end time signs, we've went through all of that, down along the road. Now here we are, right up to the last sign to Abraham's children, and even brought in the names of the messengers, just like it was in Abraham's time, to show there's no slip-up nowhere, Bible, **THUS SAITH THE LORD**.

42 And then the church sets dead, ball games, attractions of the city, and the worldly things has the church all lured away. The Bible said they would be heady, highminded, lovers of pleasure more than lovers of God, having a form of godliness. Hotel rooms full of drunks, you

can't even sleep, sunday school teachers, people going to church, church members, having a little "clean, American fun." Sinful! Oh, this ol' world is staggering like a drunk man coming home of a morning.

43 What happened? When all these sins begin to get like that in the days of Sodom, women, half naked, running through the rooms of the hotels, and men, drunk, following behind them (That ain't off somewhere else, that's here.), and then what happens? God said, "I've come down to find out whether all these reports are true."

44 The true children crying out, "Come, Lord Jesus!" Maybe one in a city. As we asked the other night as the Holy Spirit told us in the Bible, "Only seal those who sigh and cry for the abomination did in the city." Where would they be sealed? Where is the sealing of the people? Let's not be deceived, let's be right.

45 As the ol' darkie said, one time, "I told the Lord I want to talk it over with Him now, 'cause I didn't want any trouble at the river." That's right, friends, I don't want any trouble at the river. You don't know what hour you're coming down to that river, you may be there in another fifteen minutes, you may be there before daylight, but there's one thing sure, you're coming to it, so you better be sure now.

46 God doesn't do these things just for play, for stage shows, He does this for His glory and His honor, because He promised He would do it. Let's not look at it lightly, but reverently, discreetfully, and soberly. Come to the Fountain filled with Blood, drawn from Emmanuel's veins, confess your sins and your unbelief, ask God to be merciful to you, as a sinner, and save you for Christ's sake.

47 Sometimes people get in church, and say, "I don't have to ask that. I've already . . ." Oh, search your life out, friend, see how your faith is recorded with the Word. Remember, those Pharisees didn't think they need saving, they were holy, consecrated men, they were ministers, their fathers was ministers, their grandfathers, their great-grandfathers, their great-great grandfathers, all of them was ministers, lived such a life till one mark against them, they could be stoned for it. Know the Scriptures? Perfectly knowing, and Jesus said, "You are of your father, the devil."

48 Watch God, He was showing them the sign of the Messiah, and they didn't believe it, they said, "He's Beelzebub, a fortune-teller." As smart, and as educated, and as consecrated lives that they were living, and yet they were sinners. Why? They didn't commit adultery, they didn't smoke cigarettes, they didn't get drunk, they didn't go to dances, they didn't play cards, but they disbelieved, that's the reason they were sinners.

49 That's the reason I sling it at Pentecost today. No matter how much you dance in the Spirit and speak in tongues, I believe in that, but you could speak in tongues like pouring peas on a dry cowhide, and still lost. Right. You never even got the . . . I've seen witch doctors that speak in tongues and dance in the spirit, drink blood out of a human skull, and call on the devil, dancing in the spirit, and speaking in tongues, and shouting as hard as they could shout, certainly, can't go by that.

50 If you still disbelieve God's Word just the way It's written, you're an unbeliever, a sinner. God comes down and performs His Word, and makes It manifest, and shows It letter by letter, where nobody can rise against It, God stands for It Himself, then they walk away because of some creed, no wonder we're doomed. But can you stop it? Somebody said to me, other day, "Can you stop it?"

I said, "No, sir."

He said, "Well, what do you . . . ? Why don't you keep still?"

51 I said, "How can I keep still? I'm coming to a Judgment, my voice will be on the recording there that'll scrape the whole generation." I can't keep still. Woe unto me if I do keep still! Got . . .

I said, "You don't believe in sinning, do you?"

He said, "No."

52 I said, "Well, what—what you preaching against it for? Why do you . . . ? If—if you know the world is going to go on in that chaos, why do you keep on preaching?" We've got to give a voice against it, got to; truth has got to be known.

53 God is just, He gives His warning. Why did Noah stand in the door preaching when He knowed they wasn't coming in? He prepared the ark for the saving of his household, that's what it was, but he had to give the Message just the same. God is just, God knew they wasn't coming, He knowed just exactly eight souls would be saved in the days of Noah, just as in the last, same as He knows this generation. He knows who will and who won't, but He—He knows it was, that's the reason He said, "As it was in the days of Noah, so will it be in the coming of the Son of man." See?

54 And we know we're living in a tremendous time, but you—you're duty- . . . Your—your heart just cries out, you can't hold your peace, you got to say it.

55 Now, watch what He did to Abraham, showing to his Seed, then you'll have an understanding that these things are not to go to the big nerve centers. The—the people here . . . Most of the people that I meet, are looking for some great big, wide, world-sweeping revival, that's done past, we're at the end.

56 They're looking for great miracles and signs just because they don't know the Bible. That's the two prophets of Revelations 11, is going to stop the sun, Elisha and, or, Moses and Elijah, that's after the Gentile Church has done gone. That's right. See, that's over in the Jewish, when God turns again to Israel. This church age, read Revelation 1 to 3 and then you'll have it, you see what He gives to the church age, the calling out, the last sign was the appearing of Elijah again on the scene, at the last, end time. And we—we are, know that, that everything that He said will be just the way He said it.

57 Now, we find out that where He called him in the 3rd . . . in the 12th chapter of Genesis, and justified him by faith, because Abraham believed God. Is that right?

58 Now, I don't say this . . . Now, I don't want you to quote this back out among your people, but you see, everything in the Bible travels in three, a *three*, making *one*. Now, like in the—the Bible, it is written in here that . . . You know God wrote three Bibles. Do you believe that? He wrote one in the skies, one in the pyramid, the other one on paper. Now, we know that they make a ouija board out of the pyramid; they make a ouija board out of the Zodiac; they make a ouija board out of the Bible, but that don't hinder Its truths, Its truths are just exactly the same.

59 Now, if you notice in the Zodiac, what's the first figure in the Zodiac? Is the virgin. What's the last figure in the Zodiac? Leo the lion. The first coming, and the second coming of Christ, He come first by the virgin, comes the next the Lion of the tribe of Juda, then the cross fishes, the cancer age that we're now in, just before that time takes place.

60 We watch the pyramid, it was built like *this*. But you notice, the headstone never was put on the pyramid. Did you ever think of that? You got a dollar bill in your pocket? Look what it says, "The Great Seal," the pyramid, and look above it, the stone, the headstone never was found. Why? The Headstone was rejected, Christ.

61 Look down here in the age of Luther, justification, plenty of room in here. Just to confess Christ meant have your head chopped off. When they come out of paganism, to have your head . . . you'd be executed for the very witness of saying you was a Christian, Luther. Then what did it do? It heaps up now, to the minority, coming down closer. What was next? Sanctification, then you was called a fanatic, holy roller, or something, that's Wesley's age. What happened next? Then come the Pentecostal, the baptism of the Holy Ghost, the, still the Church got smaller in the minority. And now, it goes on till that has to get to such a perfect place, until when that Headstone finally comes, It'll fit so

perfect, the Church will be, have to be in such a—such a perfect shape, until when Christ comes He fits right into It. Right.

⁶² So you see, just speaking in tongues, and dancing in the Spirit, that's way down the line here yet. The Church . . . And remember, if you was ever there, in Egypt, at the sphinx or the pyramid, them stones, way yonder in the air, weighing hundreds of tons, and so perfectly put together, till a razor blade won't even . . . honed to a perfect condition, till it fits absolutely perfect without cement.

⁶³ That's the way the Church is going to have to be, so honed down, the Word honing the Church, until when Christ comes to take the Church, the ministry, the Church will pick right up on it, and will raise Luther, Wesley, Pentecost and all, and go up with It, that's right, to take the Church up.

⁶⁴ Now, when, we find out in justification what He done was, to Seed, or, to Abraham, was beginning with Luther, sanctification, the 15th chapter, when He confirmed the covenant by blood, 17th chapter He gave the Holy Ghost, the Pentecostal age, because, you see, all those other elements was something outside of what the Church received from Him, what Abraham received from Him. But when He said, "I am El Shaddai," the breast, inviting Abraham to come nurse his strength from the breast of God, draw in the Life of God into himself, that's when the Church got the Holy Ghost, when it tasted of the—the Life of God, when It drew into Itself the baptism of the Holy Ghost.

⁶⁵ Then what did He do? Just Scriptural, as we proved it last night, taking that same . . . Follow it, God cannot defy His Own laws. That's the reason He took His Own Son, in 17th chapter of Matthew, and took Him up on Mount Transfiguration, and positionally placed Him, as His law was; He did it. And then, when He did that, then we find out, He followed His Own laws, and here He took Abraham the same way. And you say, "Are you sure of that, Brother Branham, the 4th and 5th verse?" Yes, sir.

⁶⁶ See, when He gave Abraham part of His Name, positionally put his name on the check, the same as His was . . . His is *Elohim*, *Abraham*. See? Gave him part of His Own Name. Is a great revelation there, and you realize I could run that farther than that, but the Church, when It ought to be taking strong meat, is still drinking milk. Right. So, He gave him His Own Name, *Abraham*, and then when He did that, the next thing He did after He give him that name, placed that on his name, then what did He do? He gave him a sign that He was ready to absolutely destroy all sin that was around him, and positionally put his body in condition to receive the promised Son that he had waited on, exactly what He's done to the Church.

67 What was the last sign He give Abraham? Had His back turned to the tent, and told Sarah what she was doing and thinking inside the tent.

68 And Jesus, the true Seed of Abraham, the real, true Prophet, the God-Prophet, that came to the earth and manifested the same sign to the ending up of the Jews, think of it, when He came to the earth, what did He do? He said to Simon, “Your name is Simon, you’re the son of Jonas,” a man who couldn’t write his own name, and Simon recognized quickly, by the teaching of his father, that the Messiah would have a sign like that, and he recognized Him and received Him.

69 Philip, as soon as he saw it, run, told Nathanael, and Nathanael come around the bank with him, and run up there where Jesus was, and Jesus looked at him, and said, “You are an Israelite, in whom there’s no guile.”

He said, “When did You know me, Rabbi?”

Said, “Before Philip called you, when you were under the tree, I saw you.”

And what did that real, elected, predestinated son of God say? “Rabbi, You’re the Son of God; You’re the King of Israel.”

Said, “Blessed art thou.”

70 Then He goes down to a woman in Samaria, because the Samaritans were looking for a, you know, they were looking for a Messiah. Anybody that’s looking for a Messiah, He’ll come, if you’re here looking for Him tonight, He’ll meet you. But if you’re not looking for Him, He’ll—He—He’ll . . . He’s not looking for you either, if you’re not looking for Him, He’ll never come to you. But the Samaritans was looking.

71 Now, there’s only three races of people on earth, Ham, Shem, and Japheth’s people, Jew, Gentile, and Samaritan, and the whole breed come from all that.

72 And now, notice Peter with the keys, to prove that now, Peter with the keys of the Kingdom. How many believe he . . . God gave him the keys? Jesus did, sure He did. And when did he use them? In Acts 2, to the Jews. Then went right down to the Samaritans, although Philip had went down and baptized them in the Name of Jesus Christ, but they had not received the Holy Ghost as yet, because Peter had the keys. Come down, laid his hands upon them, and they received the Holy Ghost.

73 And then, next, what’s the next generation . . . the next class? The Gentiles. And he went up and opened the Gospel to the Gentiles. And

from that, there was no more need of Simon Peter's keys, 'cause it was already opened to all the world.

⁷⁴ Now, the Gentiles wasn't looking for no Messiah, but the Jews and Samaritans was. How did He declare Himself? The same thing that He did at Sodom. What did He do to the Samaritans? When the woman come out, the woman with, the prostitute, came to the well, or, the woman living in adultery, she had six husbands, five she had got rid of and living with one then, and she came to the well to get water, and Jesus saw her, and He said, "Woman, bring Me a drink":

⁷⁵ And she said, "You . . . not customary, we are, got a segregation around here. You're a Jew, and I'm a Samaritan woman, You shouldn't ask me such a thing as that. We don't have no dealings, one another."

He said, "But if you knew Who you were talking to, you'd ask Me for a drink."

And the conversation went on till He contacted her spirit, then He said, He found what she wanted, He said, "Go, get your husband, and come here."

She said, "I don't have any husband."

He said, "You've said the truth, for you've had five, and the one you're living with now is not your husband."

⁷⁶ She said, "Sir," listen at this woman, now this is a Samaritan, said, "Sir, I perceive that You are a prophet. Now, we know when the Messiah cometh, He'll tell us these things." That was to be the sign of the Messiah.

And Jesus said, "I am He that speaks with you."

⁷⁷ And what did she do? She dropped the waterpot, and ran into the city, and said, "Come, see a Man that told me the things that I have done. Isn't this the very Messiah?" And the Bible said the men of the city believed Jesus to be the Messiah, because He had told the woman the things that she had done.

⁷⁸ Now, you produce one time He did that to a Gentile, He never. But Jesus said when the Gentiles, or . . . The—the—the Pharisees, and the preachers of that day, said He was of the wrong spirit doing that, that His Gospel wasn't true, because they . . . He was tearing down their churches and their organizations, calling them generation of vipers and everything else, foxes, and everything that He could think of, He was really splitting them open.

⁷⁹ But yet, He said, "If I do not the works of My Father, don't believe Me, but if I do the works of My Father, then believe the works." That's true of any man, God doesn't back his ministry up, then it's not God's ministry.

80 Notice then, this woman, she said, "Come, see this Man," and the people of Samaria believed on it, He never did one more time, He just did it that one time, but the woman was . . . told the men that Jesus did it. Secondhandedly, through the woman, the whole city believed on Jesus, because of that one miracle.

81 I wonder what's going to happen to America? That prostitute will stand in the Judgment and condemn tens of millions of church members in the Judgment, 'cause not only once, but thousands times thousands of times it's happened across the country, around the world, examined by science, every critic it could go through has went through, and still come out one hundred percent pure, the Holy Spirit, the Word backing it up. Where are we going to stand, brethren, at that Day? Just think it over. And that may be before morning, we're at the end; I'll get more in that tomorrow.

82 Notice, He placed him, give him the sign, what He was, and you remember, It was God Almighty, It wasn't the *man*, that was just human flesh there, disappeared just in a little bit, but It was God, making Hissself known to the Elected, called-out, separated Church. Remember, not an organized town, not a city, but a group that was wandering in the deserts, taking the way with the Lord's despised few. Like always, God has had to call His children into the wilderness, and away from these things.

83 Called him, showed that sign to him, and moved on, and Abraham believed and immediately he was changed. When that Angel left the scene, Abraham had a changed body, and made ready, and the son come that had been promised.

84 One of these days, the old fashion Gospel that you hear will be silenced one of these days, and the Church will receive a body, glorified. You'll have to have that kind of body to go up and meet Him in the air, we can't go in *this* kind of a body. So those who are looking, those who are listening, those who are taking heed is the ones that'll be changed in a moment, in a twinkling of an eye, and be caught up together to meet the Lord in the air, the expected Son of God, that we've looked for since we've . . . can recognize that we were Christians.

85 Remember, we proved that last night, how he went down to Gerar, how that Sarah, an old woman a hundred years old . . . Usually, I get a letter or two off of that, saying, "Well, they just lived longer lives." But I want you to notice the 18th chapter, and the 17th chapter, also, the Bible said they were well stricken in years, stooped, bent down, old. And when they got down there, Abimelech, that king, looking for a sweetheart with all of those Philistine beautiful women, and yet fell

in love with this real old, old, old, great-great-grandmother, and would have took her for a wife, but God protected her.

86 I want you to notice here, something, sister, do you know Sarah loved Abraham so much till she, that beautiful woman, till she called him her lord? Which Paul later says, “Whose daughters you are, as long as you obey the truth.”

87 Sarah didn’t dress in the fashions of the day, like Mrs. Lot did. She was probably the head leader of all the societies there was down there, her husband was mayor of the city. So, I suppose she was, in their big church, of a morning when the bells rang, and they all went out there, I imagine she was pretty well-known woman; she didn’t want to leave that, she was earthbound.

88 That’s the way people today, don’t want to hear about the coming of the Lord Jesus. Why, it’s the most glorious thing I can think of, for Him to split the skies right now! Let’s get over it. Why wouldn’t I change this old dried up, wrinkled, old age, creaked over body that’s full of corruption, nothing but skin worms could eat it up, and take this soul in there that loves God, and unite in a brand new twenty-one-year-old William Branham that’ll never be old, and never, never have a heartache, or never die, never be sick, to live with the Elected through the ages throughout all Eternity? Oh, I couldn’t think of anything any greater!

89 That’s why I want you to read this witness here, this little thing, I saw it, I know it’s the truth, I shook hands there, and—and, with people who were . . . that I knowed. And I—I was standing looking at myself, laying there on the bed, and here I was standing, it ain’t very far away, we won’t have very far to go, ’cause I was standing here just as real as I’m standing at this pulpit. And I thought, “Now here, there I am laying *there*, and how could I be standing *here*?” Just the same as I am right now. There was people, every one of them beautiful, I can see those women.

90 I’ve been kind of hard on the women, but I don’t—I don’t mean you Christian women, I mean those who act like they’re Christians and not, see, wants to be Jezebels, no, sir, after the things of the world. I certainly bear down on them, and I—I just, I have to do that, I can’t help that. But you have to have a bad one to make a good one shine out; you have to have a night to appreciate the daylight; have to have wrong to appreciate the right. It’s all working together to God’s good, and His glory, you’re on a battlefield not a picnic ground.

91 Battle! Everybody say, “Come, be a Christian, everything will go right.” No, sir, it doesn’t for a Christian, “All that live godly in Christ Jesus shall suffer persecutions.” You got to be laughed at, and made fun

of, stomped at, kicked at, made fun of, “If they called the Master of the house Beelzebub, how much more will they call them of His disciples?”

92 “I’ll take the way with the Lord’s despised few, I started in with Jesus, O Lord, take me through.” That’s right. That’s my—that’s my—that’s my alternative is to go through.

93 If I only look down tonight, and look here in this city, look for the last three months where I’ve been across the nation and see the falling away of the churches, the indifference of the pastors, see the indifference amongst the people who come out, look like fish and loaves, and—and the first little thing got enough temper to fight a buzz saw, and indifferent, nasty, the Pentecostal people, ministerial association wants to draw me out of a ring just because I let a man on the platform that wasn’t baptized the way they thought he ought to be baptized, and—and they . . . Oh, such indifference! If I was looking right here, I—I’d give up. I’m glad God got a hold of me before the church did, as I found out about God. That’s right. Found out that God was real.

94 Mr. Baxter, once, Ern Baxter, used to manage the campaigns for me, he said up in Canada, they were, one time there was a contest to win a new Schwinn bicycle. They had a board that was a foot wide, they had to ride it for fifty, or a hundred yards, setting about three foot in the air. And every one of them there were champions, Ern said, “I could go downtown, get my mother’s groceries, put them under my arms, and come through by the street cars, up around the cars and never touch my handlebars.” Said, “I could *ride*.” Set backwards on it, and ride just the same as he could forward, said, “It didn’t make any difference to me.” And nearly all of them was champions, and they was sure they was going to win that Schwinn bicycle.

95 And they had one little sissy fellow among them, he wasn’t too good a rider, they knowed he wasn’t going to win. But when they put them all on the track and start them out, every one of them fell off, but this one little, sissy boy, he rode her out to the end, got off, received the reward, took the bicycle. And all the fellows got around him, said, “Tell us how you done it.”

96 Said, “Boys, I’m going to tell you where you made your mistake.” Said, “I thought it all out before I got on there.” That’s a good idea. He said, “You see, you all were trying like *this* to keep the bicycle on the board, looking right down like *this* at your bicycle, it made you nervous, you got to wiggling, you fell off. And I seen where you made your mistakes.” He said, “I never looked what was down *here*, I just watched the end and kept steady.” That’s it. That’s it! Watch the end and keep steady, just keep moving on.

⁹⁷ I'd be discouraged tonight, if it wasn't for that, I'm watching the end, just keeping steady. Move on, no matter what takes place, just keep, don't look at that, just keep looking at the end, that's where you meet God down there at the end, there's where the rewards are give out. Don't drop off *here*, go on to the end. "He that endureth to the end, the same shall be saved," Scripture.

⁹⁸ Now, we find out then that the confirmation of the, of Abraham, give . . . And everything turned out just exactly, now. Now watch, one law that God given His Church, not one—not one thing did He promise Abraham, not one thing did He do to Abraham, but what He's done to, or, give to the Church, except one thing, the change of the body. And when He does that . . .

⁹⁹ Now remember, Sarah had to be changed. How many believes that? Raise up your hand. She had to have a changed body. She was a hundred years old, how could she give birth to a child?

¹⁰⁰ Abraham, well, the Bible said, as a man he would, his body had been dead for many years. Read Romans the 4th chapter, where it said, "Abraham considered not his own body, now as good as dead, neither the deadness of Sarah's womb. He staggered not at the promise of God through unbelief, but was strong, giving praise to God," just kept moving on.

¹⁰¹ Now, his body was unfertile, sterile, a hundred years old, and dead, sexually. Sarah's womb was dead, unfertile, milk veins gone, breasts gone. And heart, that a hundred-year-old woman to go in labor? See, there was . . . She was just as good as dead, but then she could not have that baby, could not receive that promise, unless she was changed.

¹⁰² "Now, what are you trying to say, Brother Branham?" Listen close, we cannot in these kind of bodies, ever receive the promised Son, for He's not coming to the earth, we are to be caught up. Our bodies are to be changed, in a moment, in a twinkling of an eye, and we're to be caught up to meet Him in the air. And the last sign was give, before the destruction, was that the Angel, showing that God would be dwelling in mortal, human flesh, performing that same sign, before our bodies was changed, and that's the last sign the Church gets.

¹⁰³ Show me one thing more that God did to Abraham, show me one more sign He give him than that sign there, that was the last sign. All that knows that, is Bible readers, say, "Amen." That's the last sign was given; this is the last sign. Church, hear me, in the Name of the Lord!

¹⁰⁴ Look at my education, my insufficiency of preaching, not holding my subject and speaking like anointed, or, educated preachers really speak. Don't you listen to that, you listen to what I'm telling you, the Word of God, God is behind it, because He has proven the Word that's

being preached. If you can't believe me, you say, "Well, you, Brother Branham don't belong to our organization," well, believe the works then, let the organization go, and believe the works. Take it to your own organization, get them to believe it, you could do a better job then, than I can, or you can beat God doing it, God can't do it Himself.

¹⁰⁵ Notice, the 18th chapter is where He done this. The 17th chapter now, He give him strength for the miracle, give him the Holy Ghost, in other words, let him draw His, God's Own Life into his own.

¹⁰⁶ Now, what do we do when we receive the Holy Ghost? We take God's Life into ours. Is that right? What: we blend God's Life in ours. We're sons of God, because we draw from God, the Holy Spirit that makes us sons of God. What does that do? It gets us ready then, for the change. Oh, brother, it makes us ready for the change that's fixing to come, Spirit filled. Just lean right on His bosom, and keep drawing. Then we get changed one of these days, that right away, too, I can promise that, the promised Son is on His way.

¹⁰⁷ Now notice, immediately after that, Sarah become pregnant, and she knew she was going to have this baby. Now, she's young now, beautiful, even a king fell in love with her. She would have to be outstanding, or that king would never have fell in love with her, you know, she was a beautiful woman, and wanted to marry her, and—and God protected her.

¹⁰⁸ One more thing I want to get to the church, now, some of you setting here, last night when the anointing struck me, I could feel them little flares in there, I've been trying to think of it, I jotted it down here so I wouldn't forget it, I caught that last night, that you think, "Well, I—I did *so-and-so*, I did *so-and-so*." Many times, I find people won't even come in the prayer line, they won't even take their number when they're called, they're afraid that will be called up, certain things. Now, I used to blast that right out, you all know that, and not unless I'm actually led to do it, I don't do it no more.

¹⁰⁹ Now, you will make your mistakes. You say, "Brother Branham, no matter what I'd ever do, I'd never be worthy." That's right. But look, you say, "Brother Branham, at one time I didn't believe this Message." That's right, I—I guess many of you didn't, I wouldn't have done it, I guess, myself, I couldn't have done it unless God revealed It to me. You—you'd have . . . It's a revelation, the whole Church is built on revelation, without the revelation you'll never see it, you're blind.

¹¹⁰ Jesus . . . The Bible said, I believe, Matthew 12, I believe it was, where he said, "Though Jesus had done so many miracles before them, yet they could not believe, because Isaiah said, 'They got eyes, and can't see; ears, and can't hear,'" and very, really holy people, the very

cream of holiness. So holiness is not all, holy living is not all, faith is the main thing.

¹¹¹ Now listen, church, I want to drop this in here, 'cause I believe the Holy Spirit told me to do it, you may be setting there, which some of you are, I know you are, disagreeing with me, right now, now I can call your name if you want me to, so, I know that, but I also can see farther than that, that you're going to believe it one of these days.

¹¹² So I'm just going to put this in, so you'll understand, so I can give you a little spot of grace here, when ain't going to be too long, till you're going to change your mind, some of you, some of you won't. But remember, when Sarah first heard that Man, which she is a type of the Church, when she heard that, seen that sign take place to Abraham, she actually laughed about it in her heart, and she disbelieved and doubted it ever being so. Is that right? At that time, God would have rubbed her name off. That right? But He couldn't, she's part of Abraham, they are one.

¹¹³ And if you've really not been excited, not worked up in emotion, not got some church creed, but really received the Holy Ghost, and you're really part of Christ, and still a little skeptic in your mind, God will not shove you off from that, because He can't, you're a part of Christ, He'll bring you to the truth.

¹¹⁴ Now, if you have never . . . you've just, you might have spoke in tongues, danced in the Spirit, and done all these things there, that—that don't mean you got the Holy Ghost. Oh, my, my, that's a million miles from it. Jesus never did say, "Now remember, I believe that when you receive the fullness of the Holy Ghost, you speak in tongues." Right. But Jesus never did, there's no Scripture in the Bible says that that's the evidence of the Holy Ghost; I want you to produce it, if it is. There's no such Scripture as that.

¹¹⁵ Jesus said, "By their fruit you shall know them." And the fruit of the Spirit is not speaking in tongues, that's a gift of the Holy Ghost, after the Holy Ghost is come, that's one of the gifts that goes with It. Preaching, speaking in tongues, interpretation of tongues, all those things are gifts of the Holy Ghost.

¹¹⁶ They was amazed at the Day of Pentecost, Peter said, "Repent, and be baptized, every one of you, in the Name of Jesus Christ, for the remission of sins, and you shall receive the Gift of the Holy Ghost." See?

¹¹⁷ Now, but remember, I believe that when you get so full of the Holy Ghost you—you . . . the Bible said, "Stammering lips and other tongues will I speak to this people." Stammering, so full of the Holy Ghost you can't say nothing in your own language, that's when you're filled

with the Holy Ghost. But I believe that when you believe on God with all your heart, and accept Jesus as your Saviour, you got a portion of that Holy Spirit, 'cause Jesus said, "He that heareth My Words and believeth on Him that sent Me, has Eternal Life." And there's only one form of Eternal Life. Then you're just a child, then you begin to walk into the fullness of the Spirit. You grow in grace, then you're . . . [Blank spot on tape—Ed.]

118 . . . Wesley, and now into Pentecost, the same thing, then the placing of the son, then the last sign-gift, then the rapture of the body, the change of the body, and the Rapture.

119 Now, when they come back, Sarah recognized she was to be mother. Oh, she must have been a happy little lady. I can see her now, that black, shiny hair, those big, velvet eyes, pretty face, she was a young woman then, probably in her early twenties. Abraham, strong and healthy, young man, changed from an old, broke-down fellow, to a young man, showing what He's going to do to all the Seed of Abraham, that's exactly.

120 And then, the first thing you know, they could be, live like young people. Then they brought forth this young child, and when he was about twelve years old, God said, "Now, to make this real sure to all the people, I'm going to prove to them what I'm going to do, show that the Seed of Abraham will never doubt My Word, the true Seed of Abraham won't doubt My Word."

121 Now, here's the way to test whether you're really the Seed of Abraham, or not: When the church says, "You believe *that*, and I'll kick you out," that don't mean a thing to the Seed of Abraham, not a thing, that just puts him on his road right, that just sets him free, here he goes.

122 And, seeing that he was—he was to be the father of nations, now, God said, "I want you to take this boy of yours, and I'm going to show you in a vision *what-kind-of-a-looking* hill you're going to, a mountain, and you take that boy up there, and simply destroy him."

123 Could you imagine what slipped through Abraham's mind as a human up *here*, up *here*? "Well, how am I going to be the father of nations, and here I've waited all these years and got this boy here, and here he is twelve years old, He takes me out now, and says, 'Take him out and kill him'? How . . . ? And He promised me that through this same boy, this is the boy He promised me through Sarah, and if—if I had this boy here, he'd be the father of nations, now He takes me out to kill it."

¹²⁴ That's when the intellectuals begin to work, but the little buzzer kept saying, "What did you believe twenty-five years for him, though?" That little buzzer said, "Well . . ."

¹²⁵ Then it come up in the, his throat, then make a confession, "I received him as one from the dead, I'm fully persuaded that God is able to raise him up from the dead." That's it. When *this* goes to talking down here, *this* shuts up.

¹²⁶ As I said the other night, in the garden of Eden the devil chose a part of a man, and God chose a part; God chose his heart, the devil chose his intellects. And now, today, the church today, depends everything upon the intellect, never thinking of the heart. See? And the only thing that they can see, "Well, I just can't see it that way." You don't see with your eyes, anyhow, you look with your eyes, you see with your heart. You look at anything, say, "I just don't see it." You—you're looking at it, but you don't *see* it, it means you don't *understand* it, your understanding comes from your heart.

¹²⁷ Now, here he is now, he doesn't—he doesn't understand it with his mind, how is he going to do it? His intellects would tell him that, that's his reasonings, but the Bible said, "We cast down reasonings." Cast them away from us. Say, "How am I going to get well when the doctor says, 'When I've done *this* . . .?'" That don't have one thing to do with it.

¹²⁸ You get about one out of every five hundred that really believes that, sets right straight there, and there's nothing in the world will ever change them. Well, what do we have to do? Cull through everything, till we find that one. That's right. God searches through the earth to find one man. O God! When I think of that, it makes my heart burn. God is searching the earth to try to find one man that'll surrender to Him, He's always done it.

¹²⁹ He found one man in the day of Noah, out of the tens of millions and millions. People want to, just like, there's too many people like Samson today, Samson gave God his strength, but he wouldn't give Him his heart; God could use his strength, but not his heart. Samson was somewhat a ladies' man, you know, and he just couldn't give Him his heart, he had to give that to Delilah, but he gave his strength to God. God used his strength, but He couldn't use his heart.

¹³⁰ So many today, God, you'll give your intellectuals to God, "I'll build You a big house, I'll make You an organization, I'll do *this*, I'll do *that*." Don't you realize that's the same thing Cain did and was rejected?

¹³¹ Cain built hisself an altar, and made a sacrifice, and said, "Here it is, I'll worship You, I believe You. *There* is my sacrifice, *there* is my altar,

take it or leave it.” That’s the man today, the religious man, Esau the same way, and the church the same way. “I’ve done *this*, I’ve done *this*, I’ve done *this*.” It ain’t what you’ve done, it’s what He done. Give Him your heart, and follow Him.

¹³² Trying to find a man that will follow Him. He had one then, Abraham, he was that perfect man, whatever God said, that was all right.

¹³³ So watch, could you imagine, now, Abraham couldn’t tell Sarah, the wife, that pretty, little Jewish boy, about twelve years old, going to take him up, and cut his throat? That would have been a horrible thing to tell Mama, he couldn’t tell her. So, the next morning he got up, and chopped some wood, he said he claved the wood, which means “chopped it,” put it in a sack of some sort, some kind of a skin sack, laid it on the back of the mule, and called two servants, and said, “Isaac, you and I are going to worship, let’s take the mules along. Mommy, we’ll be back in a few days.” All right.

¹³⁴ He goes on, up towards the mountains he goes. And remember, he went three-days’ journey. Is that right? Three days. Now, a ordinary man, just any man . . . and him young, probably twenty years old, twenty-five. When I used to patrol, I walked thirty-two mile every day through the jungles, and we’re used to riding all the time. All a man done then for transportation, either riding a mule, or—or—or walking. So, I can walk . . . I could eventually say, in the mountains he walked at least twenty miles a day. Well, after he walked three days back, then he lifted up his eyes and saw the mountain that he saw in the vision, far off, then got to it. Watch where he was now, from civilization. I love this, this is so beautiful, don’t miss it.

¹³⁵ When they got to the mountain, Abraham said to the—the boys that was holding the mules, he said, “You stay here, watch the mules, the lad and I, we’re going yonder to worship, and the lad and I will return.”

¹³⁶ How are you going to say that, Abraham, when you’re going there to kill that boy? What is it? That’s that faith. He doesn’t know how it’s going to happen, but he knows it’s going to happen. Oh! Oh! Oh! Oh!

¹³⁷ You say, “Brother Branham, you act silly up there.” Well, maybe I do, but I’m feeling awful good. I feel better this way, than I did in the ol’ carnal intellectual, so I’d rather stay this way.

¹³⁸ “You boys wait here with the mules, the lad and I are going yonder to worship, and we will return.”

What if the Angel stood there, and say, “Abraham . . .”?

Oh, what if the devil stood over on one side, said, “Abraham, you told a lie”?

¹³⁹ “Oh, no. There’s *something* down in *here* that tells me if I even have to kill him, I received him as one from the dead, God could raise him back to earth again. The lad and I will return, because why? God already told me that through this lad would be the Seed that would save nations. And He changed my name and put *h-a-m* on the end of my name, and I’m a father of nations through this lad, and I don’t know what God’s going to do there, but He’s going to do it.”

¹⁴⁰ *Whew!* Oh, my, that puts fire! That gives you something to stand on. That’s not one of these Catholic, Santa Claus stories of some fictitious something that never happened, that’s **THUS SAITH THE LORD GOD JEHOVAH**. Amen. “Makes me no difference how we’re coming back, we’re coming back. That’s all.”

¹⁴¹ “How you . . . ?” Now, if He’d say to . . . Here’s a man, setting here with a cane, blind, “How are you going to receive your sight, sir?” Just let God speak to his heart one time, and watch what happens. Maybe there’s one over there with a cancer, dying; one back here with heart trouble, just had an examination, the doctor said, “Can’t live, going to die,” let that little buzzer whirl down here one time, “I’m the Lord that heals thee, gives thee thy sight, takes away the cancer, makes thee to walk.” Huh! It’s all over. I don’t care what any scientific, what anything, no matter if the doctor put a, give him a cardiogram, and told him his heart had already stopped, he’d still be believing it. Yes, sir. He’s going to do it anyhow, there’s nothing can stop it, that’s—that’s what faith is.

¹⁴² You know what? Forgive me, brethren, sisters, I don’t know why I’m going to say this, but it—it’s choking me to say it. I know something is fixing to happen to me, so I’m—I’m just unloading. That’s right. Glory to God! Brother, I have seen so much make-believe, super-duper, American *so-called* faith, till it makes me sick at my stomach. Evangelists running people through lines, and saying, “Ooh, feel *it!*” How are you going to do that?

¹⁴³ I got a letter from Germany the other day, of a German Lutheran minister, the head of the association in Germany, in a certain district where an evangelist was, and he called this evangelist’s attention to it, said, “The thing that you done was beat the people for money. And it would be better if you Americans stayed out of here.” That’s right. That’s right, I’m agreeing with him. Said, “What about little Deborah Stadsklev, up there, if you say all this super-duper faith is for everything?”

¹⁴⁴ I’ve got the letter right on file. Anything I say from here, brother, I can back it up. See? He said, “All this here faith that you was

talking about having, why did you all do all that shaking, and jumping, and everything else there, trying to tell people they were healed, and they did *this*, and did *that*, when they wasn't? You never brought any repentance." Said, "Why didn't you wait like Brother Branham did, when they called him about little Deborah Stadskev? He waited till he got a clean-cut answer from God." There you are.

¹⁴⁵ Wait till you hear, THUS SAITH THE LORD. Clean up your lives, get away from your unbelief, quit having this *super-duper*, "I feelled, I touch, I got blood, I got . . ." Oh! No wonder the thing is sinking! It's got to come back to God's Bible, repentance from unbelief, not *super-duper*, clap hands, and work up in a lot of emotion. Pentecostal's birthplace is in that, these days, shake them, and say, "Say it! Say it! Say it! Say it! Say it! Say it!" till they say it's some kind of a unknown tongue, or get a confusion, then say you got the Holy Ghost, and live any kind of a life, with enough unbelief in them would smear the devil's hell out. "Super-duper faith." Ha!

¹⁴⁶ What's the matter with me, anyhow? I'm only telling you the truth, someday you'll catch it, someday you'll know that I've told you the truth, my voice may be silent. You—you might—might be able to silent the body that's speaking, but you'll never silent that voice, it comes from God. They stoned Stephen, but they couldn't stop his Message. It'll move on, them tapes will be played after I'm gone for years.

¹⁴⁷ Yes, "super-duper faith," American, built up under a lot of flustration, painted faced women wearing shorts and everything else, running through the lines, and shaking them, hollering, "Yeah, you got it, hallelujah, you!" Oh, nonsense. Repent! Come back to God. We need a cleaning up. Amen.

¹⁴⁸ Don't think I'm angry, I'm not angry. If I was, I'd get down there at the altar, repent before I finished this Message. I'm only telling you Something in my heart boiling out, and It's the Word of God. You need a cleaning from the pulpit to the basement, throughout.

¹⁴⁹ "Super-duper faith," no such a thing with God. God's faith is pure, clean-cut, unadulterated. That's right. Something inside, moving, say, "I accept it." Brother, you know where you're at then.

¹⁵⁰ Here not long ago, way down there in Kentucky, Brother Sullivan, an old, patched, blue shirt, steel gray eyes, looked at me in the eye, and said, "Preacher, I believe that." Oh, brother, that was one hundred percent plus; he did. And a cancer, hanging on the side of his face dropped off on the floor, he believed it. So many has got hope instead of faith. Now, the newspapers packed the article of it, a reporter standing there, and the cancer rolled off over his feet, he couldn't keep from writing about it, picked it up himself.

Say, "Why don't . . . ? I didn't see it, nowhere."

¹⁵¹ Jesus said, "See that you tell no man." We got so much publicity today, to fix up something before the public to make it . . . Oh, I better shut up, go ahead. Notice, but that's THUS SAITH THE LORD.

¹⁵² Abraham took the little fellow, watch, put the wood upon Isaac's back. Type of Christ with the wood on His back. Up the mountain they went, on up, got up apast the timberlines, got on up amongst the big rocks, way on up to the big boulders, to the bleached sands, on up in the top of the mountain, where nothing but just old vines, and things wrapped around the stumps, or, the rocks. He rolled hisself twelve stones together, laid the wood down, took the fire, lit the sacrifice . . . , uh, lit the altar.

Little Isaac got suspicious, he said, "My father?"

He said, "Here am I, my son."

He said, "Here is the altar, here is the wood, here is the fire, but where is the lamb, or the sacrifice?"

¹⁵³ He said, "My son, God will provide for Himself a lamb for this sacrifice." There you are. "Only thing I'm doing is just following instructions, it's up to God to provide the lamb."

¹⁵⁴ "How am I going to receive my sight? How am I going to . . . ?" That isn't the question, just follow the instructions, believing without failure. God will provide for Himself a lamb for the sacrifice.

¹⁵⁵ Then he said, "Isaac, put your hands behind you." He took a string and begin to tie his hands, Isaac knew then. Watch his obedience, like Jesus the true Son of God, obedience unto death, took the cross. Tied his hands and his feet, Abraham lifted up the little boy and laid him up on the rock.

¹⁵⁶ I can imagine him standing there, and trying to, his intellectuals trying to go to work, "What are you going to tell Sarah when you get home?"

¹⁵⁷ "I—I . . ." But the little buzzer kept saying, "I'm Jehovah, I will provide. You just follow Me." See, two things working, same time. What are you going to listen to? If you listen to *this*, you're gone; listen to *this*, you can't go, you've got to be sure (Here.), it's perfect.

¹⁵⁸ Now, pulled his hair back out of his face, took his head, laid it back so the throat would be empty, opened his little shirt and pulled it back, so his throat would be . . . say, "Lay your head back a little farther, Honey, for Daddy."

¹⁵⁹ You think that was easy? There had to be something down *here* moving, a real love that wouldn't fail. Laid his head back, took the big knife out like *that*, just razor, honed sharp, pulled his head back, took

it out, lift up to God, caught the top of his hair, held it back like *that*, and he raised his hand.

¹⁶⁰ About that time the Holy Ghost grabbed his hand, “Just stay your hand, Abraham, I know you love Me.”

¹⁶¹ And about that time a ram bleated behind him, it wasn't there a second before. A ram had his horns hooked in the vines, caught in the vine, “*Baa!*” Abraham looked around, went, and got the ram, laid it upon the altar, tied it with the string that Isaac was tied with, and killed the ram.

¹⁶² I want to ask you something: Where did that ram come from? It was at least a hundred miles from civilization amongst lions, jackals, all kind, everything eats a sheep, wild dogs. And again, it was way up on the mountain where there's no food or water, and it wasn't there when Abraham was hunting the stones around to make the altar, but there it was. O God! Jehovah-Jireh, He had provided Himself a lamb for that sacrifice. And He's the same Jehovah-Jireh, tonight, only thing is, that to the Seed now, of Abraham, He has already provided the Lamb, the Lamb has already been killed, a bleeding Lamb.

¹⁶³ Now, that wasn't a vision Abraham saw, because the ram bled, and a vision don't bleed. See? He killed the ram. God spoke it into existence, and Abraham took it out of existence in less than a minute's time. Come into existence, and went out the next minute, because God had a reason for it, because He had brought somebody to that place, testing him. The Bible said Abraham was tested, and the Seed of Abraham is tested. Now, God was testing His servant. And He's able to provide or make anything any way He wants to, because He's Jehovah-Jireh.

¹⁶⁴ Now, if you're sick, afflicted, well, no matter what's wrong with you, if God has revealed it to you that you're going to be . . . that you *are* healed, already, by His provided Lamb, and the doctor says you can't get well, He's Jehovah-Jireh, the Lord is able to provide you some eyes, I seen Him do it, the Lord can provide you ears, the Lord can provide you health, the Lord can provide you strength, He is Jehovah-Jireh, the Lord's provided sacrifice. And in Jesus Christ, God's Son, all this is met for you, the Seed of Abraham, if you'll only believe like Abraham did. Do you do it?

Let us bow our heads then.

¹⁶⁵ Are you sick? You needy? Jehovah-Jireh is present, the same One Who promised all the things, giving all the signs, fulfilling all His Word, is here in this armory in Middletown, Ohio, tonight. If you have need of Him, just raise up your hand. Now keep Him on your mind, while I pray.

¹⁶⁶ Heavenly Father, I come in the Name of Your provided Sacrifice that I accepted as my Saviour. And He changed this wicked, cruel, Irish heart of mine, laying there on the bed, with just three minutes to live, by the specialist, my heart only beating seventeen times to the minute, but Jehovah-Jireh came on the scene. And that's been about thirty-five years ago, when I had three minutes to live, but Jehovah-Jireh provided me life. Why shouldn't I spend it, then, for Him?

¹⁶⁷ There may be others here, tonight, Lord, no doubt, maybe not that bad, but I promised you there on that hospital bed that I'd never be ashamed of You, that I'd stand for Your Word, I'd scream it from the housetops, street corner, and for thirty-one years I have screamed it Lord.

¹⁶⁸ Now Thy servant is getting old, I pray Thee, Lord, that You'll bless this people tonight, and will let them see this Gospel truth. As the song writer said:

It's grace that taught my heart to fear,
It was grace my fears relieved;
How precious did that grace appear
The hour I first believed!

Through many dangers, toils and snares,
I have already come;
It was Jehovah-Jireh that's brought me safe thus far,
And He will take me on.

¹⁶⁹ Give me faith tonight, as I pray for the sick. Help me, Lord, and give the people faith to believe. Now, there's nothing, Lord, I've told them over and over, there's nothing in me, or any other man that can do what You've already done, their healing is completed, You redeemed them from their sickness when You died for them. You was wounded for their transgressions, with Your stripes they were healed.

¹⁷⁰ May they have faith tonight, Lord, not trust upon some merit of some emotion they had, or some sensation, or something, but may they come with simple, clear-cut faith, and clear-cut decision, "Tonight, I accept Christ as my Healer. From my heart I believe He heals me." Grant it, Lord, and it'll all be over. Grant it, Father. I ask, in Jesus' Name. Amen.

¹⁷¹ (What time are we supposed to be out? Any marked time?) If you all will just be real reverent for just a few minutes. I don't believe we've had any prayer line called up yet, have we? We haven't called a prayer line since we've been here. Just had, from the—from—from the platform? Wasn't that the way it was? What was that prayer cards? A one to a hundred?

¹⁷² Would you rather it just be called from the altar here? People without prayer cards be called like that, or people with them? Doesn't matter to me, whatever way will bring you the most faith. If you'll just have faith and believe, don't doubt, and will just keep real reverent, set quiet.

¹⁷³ Now, this is the time, no matter how much I preached, if it isn't the truth, it isn't the truth. God will never witness to a lie, you know that, but if it is the truth, God is obligated to witness to that.

¹⁷⁴ Now, my brethren, sisters, will you just kindly, just keep as reverent as you can? Let's call a few of those cards. If we don't get them tonight, all, we'll get them tomorrow. Let's take just about a dozen, or something like that, on the platform, and then let the Holy Spirit, if It will, start in the audience.

¹⁷⁵ How many out there doesn't have a prayer card and you're sick? Raise up your hands. All around. . . Oh, my! How many has prayer cards then? Raise up your hand. There's more without prayer cards, and there's just a few with prayer cards. Probably some of them last night got the prayer cards, left.

¹⁷⁶ (What did you give, from one to fifty, or, from one—one to a hundred, last night?) Let's start from, say, seventy-five. How will that be? See if it's here. Prayer card number seventy-five, who has that, raise up your hand? No? Well, we'll start from somewhere else. Oh, I'm sorry. All right, number seventy-five, how about you coming right here, lady? Number seventy-six, who has that? Seventy-six. That lady? Come right here. Seventy-seven, prayer card seven-seven. Back there. Seventy-eight. Come here, lady. Seventy-nine, seventy-nine. Did I see it? Did it raise up? Seventy-nine. Eighty, who has prayer card eighty? Would you raise your hand, so we can see? Eighty.

¹⁷⁷ Now, when the boy comes to give the prayer cards, he stands up before you, shuffles them up together. Isn't that right? Then takes and give you the prayer card, anybody that wants one, see, doesn't matter. So, we don't know where we're going to call them from, and nobody knows till . . . The boy can't tell you, "Well, we're going to start, tonight, from number one. I'll give *you* number one, and *you* number two, *you* . . ." He can't do that. See? And it proves it, 'cause he shuffles them up here before you. Uh-huh. All right.

¹⁷⁸ Where was I at, eighty? Eighty, prayer card eighty. Eighty-one. Did I get that one? Eighty-one, eighty-two, eighty-three. Is that the . . . ? No, she stopped for a baby. Eighty-three, would you raise your hand? Back in the back. Eighty-four. All right. Eighty-five. I didn't see it. Eighty-five, eighty-six, eighty-six. The man. Eighty-seven. I didn't see it. Eighty-seven.

¹⁷⁹ Look at your neighbor's card, maybe he's deaf. Oh, all right. Eighty-seven, eighty-eight, eighty-eight. What's, this blind man, what's his number? Is he—is he . . . ? That wouldn't be his number, would it? Oh, yeah, oh, yeah, he had, oh, it—it's behind. Oh, that's all right, hold it, I'll get it. Just stay with it, I'll get . . .

¹⁸⁰ Eighty-nine, ninety, ninety-one, ninety-two, ninety-two. I don't see it. Ninety-two. It's probably some was give last night. Well, you got enough there.

¹⁸¹ Everybody in this prayer line that's standing here, watch just a moment now, I want you to be real reverent now. Just—just, this is Saturday night, you can sleep until Sunday school time in the morning, now, you don't have to go to work. So now, be real reverent just a few minutes. Take this Message, don't forget the Message now, take the Message.

¹⁸² Everyone in this prayer line that's a stranger to me, that I don't know nothing about you, raise up your hands, all in the prayer line. All right, sir. Each one of you in that prayer line, will you solemnly promise God that if God shall reveal these things, that you'll promise you will believe Him, and hold onto It with all your heart? You do? And if I would just come up and pray for each one of you, and pass you through here . . .

¹⁸³ If you've did anything wrong you make it right, now, 'fore you come in the line. See? Do that. Now, for remember, the sin be upon you, not upon me.

¹⁸⁴ Now, how many in the audience tonight, that believes that God is the Healer, and can heal you, and will heal you, and you have faith for it, tonight? Raise up your hands that you're sick. Now, do you promise, you out there . . . ? How many in here that knows that I do not know you that's sick, or know nothing about you? Raise up your hand.

¹⁸⁵ Now, if the Lord Jesus will do exactly what He said He did when He come here on earth, exactly what He promised would take place in the last days, if He will perform that just one time in this prayer line, or one time out there, you'll solemnly believe it, as I raise my hands to God that I don't know any of them people there . . .

¹⁸⁶ And there's a few here that I know. I'm trying to make out who this man is setting here, and I believe this man setting here with the light suit on, I've seen him somewhere. Brother and Sister Kidd, I know them.

¹⁸⁷ And I know that I've got some friends here from Jeffersonville, they're back here somewhere, one of the deacons of our church, Brother Fred Sothmann, he's here. Another one of the deacons, or he's a trustee, one of the deacons, a Methodist preacher, Brother Collins, he was here the other day, he and his wife are here.

188 Brother Welch Evans and his family from down in Georgia. Them people drives around, well, with a round trip, I'd say it's about fourteen, or fifteen hundred miles every Sunday to hear me preach at Jeffersonville. Talk about friends! Die for you.

189 Brother Tom Simpson, he's here, and I think some of his family is with him, he's also a visiting brother of mine. Brother Leo and Gene, they're here, they're my fellow workers here in the meeting.

190 Then I've got a friend here, Brother Rodney, and Brother Roger, and Brother Charlie, they're from up here in Ohio, somewhere, up here close to the Indiana line, personal friends of mine. United Brethren and Methodist brethren, who's just recently come in and been saved and filled with the Holy Ghost, they're—they're supposed to be here. They were here yesterday, I had some of them on private interview, and they're here. And outside of that, there's nobody that I can think of.

191 Brother Dauch, setting here, I—I know him. It's a German name, Brother Dauch, I—I can't say, it's *Dauchs*, or Dauch, or something like that. Very fine brother from right here in Ohio, has been a great blessing to me.

192 And this man setting right back here, red tie on, setting right here, *you*, direct down, don't I know you? No, the man right behind you, there, don't I know you? I—I—I thought I did. I can't call his name, but I—I know him.

193 And the other morning, the Holy Spirit was leading me down the street, I went into the room to get breakfast, *Something* said, "Don't go. Walk down the street."

194 I started walking down the street, and I wondered, "Why? Why?" Kept walking down the street, and I seen two ladies standing on the corner, I kept walking, I thought, "Father, what would You have me do?"

"Just keep walking."

And when I walked down there, these ladies turned around, and said, "Sir, could you tell me where a grocery store is?"

I said, "No, I'm a stranger here."

And they looked around, said, "Aren't you Brother Branham?"

I thought, "Here it is."

195 One little woman had been praying real hard to see me privately. She went out on the corner to wait, God sent her out there, and God sent me from my room down. She's setting right here now, right *there*. She told me about something she wanted to speak to me about in private. See? You, only thing you have to do is follow the leading of the

Spirit. He works on both ends of the line, makes it meet just exactly right. See? Just exactly.

¹⁹⁶ And if I should say to the people from Jeffersonville, I—I, well, I wouldn't call them if I seen, 'less it would be something that they would. . . I'd have to tell them or something, but usually, it's the other people.

You all pray now, and believe with all your heart.

¹⁹⁷ Now, what did one woman. . . ? Jesus told her something that was wrong with her, and she went in and told, and a whole city believed on the Lord, a whole generation, a whole tribe of people, believed that He was the Messiah.

¹⁹⁸ Now, I am not the Messiah, you know that. Oh, my, I'm a sinner saved by grace, I'm a man, but the Messiah works in human beings. Now, like I was trying, tell you, there isn't three Gods, anybody believes that is a pagan. There's only one God, He lives in three offices. The Fatherhood. . . Oh, people has went crazy trying to study that. Why, it's so simple, God, the Father, the Father dispensation, Sonship, Holy Ghost, the same God.

¹⁹⁹ Not three Gods, One named Father, and One named Son, One named Holy Ghost. Ha! You believe that, brother, you better go on at the Catholic church, that's where you belong, just exactly, that's where it come from. There's no such teaching in the Bible, no such a thing as that, *trinity* is not even mentioned in the Bible, not one time.

²⁰⁰ Now, I'm not a. . . don't. . . and I say. . . And some people say, "He's a *Jesus Only*," you're mistaken there, I wouldn't have that kind of a spirit on me, there, that dogmatic, ungodly thing that. . . no, sir. I'm not *Oneness*, not at all, I'm not *Trinity* either, I'm a Christian, I believe in God. I believe in God manifested in three offices. Now His office is in my heart, in your heart, not another God somewhere else, another God somewhere else, another God somewhere else, that's as pagan as pagan can be. Never one time was that even thought of until the Nicene Council, find it in the Bible, or find it in history, till that time, it's not there.

Gene, are you the one that's going to bring them to me? All right, Brother.

²⁰¹ Now, if anybody in here has a suspicion that this is not of God, you have a better system to help these people, with all godly fear, and brotherly respects, I'll take a seat down here with Brother Sullivan, come to the platform, you can do anything different about it. Or if you want to come do the same thing, if you think that I'm of the devil, and you're of God, then surely you can outdo this, you can outdo the devil if you're of God, then come, take the place. Not that I am He,

but He is here. Now, no matter what, how much He'd anoint me, He's got to anoint you the same way.

202 Now here stands a woman that I've never seen in my life, she is a total stranger to me, I've never seen her, she's just a woman standing there. And I suppose this is the first time we've ever met, as far as I know. Is that right? [The sister says, "Yes, sir."—Ed.] That is right. Now, if this is our first time meeting, and I'd raise my hands to that. If I ever met you, I . . . it was somewhere I didn't know who you was, we passed on a street, or you set in a meeting, or something like that, I—I wouldn't know you no other way. But just to know you, I don't, and you don't know me, but there's Somebody here Who does know both of us, that's right, Somebody knows both of us. Now we're going to forget ourselves and let Him speak through me, and . . .

203 Now, if I come up here, and said, "Lady, you're sick. Hallelujah! Praise God! Go get healed, you're healed. Go on." Now, that'd be all right, if you want to believe it, you're only healed by faith. That's right. So now, you could have a right to doubt that, but upon the Scripture, what I've told you that we're in the end time, and that same God that dwelt in human flesh, eating and drinking there, that several hundred years after that was made manifest in flesh, the same God, 'cause He come for Redemption to hunt His lost child . . .

204 When God came down in the garden of Eden, why didn't He send a Angel to hunt Adam? Why didn't He send some kind of a Son to hunt Adam? That was His lost child, He come Hissself. That's why Jesus was God made flesh, He came in human flesh to redeem you. I was going to speak on that tonight, if I hadn't have finished that up last night, *The Kinsman Redeemer*, to show that He was, had to be man. So, through that Blood, without sex, that unadulterated, created Blood of God, I stand here tonight, with this—this challenge upon my Bible, standing before a woman, to say that God keeps His Word, that's where we stand.

205 If God will reveal to me something that you know that I . . . If—if there's anything about you, I don't know it. But if He will reveal to me, then you'll know, and like the woman at the well of Samaria, go tell your people that, "Come see a Man," not Brother Branham, now, but, "the Lord Jesus that's in His Church, manifesting Himself, because he told me the things that's in my life." Would you be willing to do that?

Would the church be willing to do that?

206 It really isn't you that you're standing here for, it's for somebody else. If that's right, raise up your hand. See? He knows what's in your heart. If God, then, will describe to me, or tell me something about this something, or somebody, will you believe me? The person, not here,

they're in a dying condition with cancer, and you're standing for them. Is that right? You know that handkerchief you got in your hand, there? Take that to them. And don't doubt. You won't doubt it? [The sister says, "No."—Ed.] Then you can have what you ask for. God bless you. God bless you.

Now, does the church believe? If thou canst believe! It shakes some, it doesn't others. Nothing. . .

207 How do you do? If Jesus Christ, the Son of God, will reveal to me what you're here for, or who you're for, or *something-another*, you'll know whether it's the truth or not, won't you? You'll believe me to be His servant, and I've told you the truth upon the Word of God. Are you ready for a shock? You're seriously ill, shadowed to death, blackness over you, a cancer. It's a lung cancer that's gone through your system. That is true. Come here. If the Spirit of God that made the Bible. . . The last commission our Saviour give to the Church, "These signs shall follow them that believe." Now, you know *Something* has me anointed, is that right? Well then, if I lay hands on you and condemn that devil, will you believe it, that it comes from God, the very God that knows about you? Then you can live.

208 Almighty God, Creator of heavens and earth, Author of Everlasting Life, and Giver of every good gift, with hands laid upon the woman, as the last commission given to our Lord, or, by our Lord, that His Church should do, I condemn this death hanging over the woman, and let her live, in the Name of Jesus Christ. Amen.

Now, write me your testimony; believe with all your heart.

How do you do? You believe God heals rectal trouble, too? All right, it's over then. What did you touch then? Touched Him.

209 I don't know you, God does know you. You believe me to be His servant? I'm just trying to. . . See, the Angel of the Lord (Did you ever read my book?), when he met me that night, said, "If you get the people to believe you." Believe me, what? That I've told the truth. I told the Bible story, so that's got to be true. If the Lord will reveal to me something about you, will you believe it's. . . ? You'll have to know whether that's true or not. You're suffering with a gallbladder trouble. That's right.

210 Here it comes. Just, I just, look like I expect it, "He guessed that." I didn't guess that, quit thinking that. I. . . Make you ashamed of yourself now!

211 I don't know what He told you. Just a moment. Yes, here it is, it's underneath the ribs here, it's gallbladder, that's right, causes sickness and cramps, and everything. That's right. You also got varicose veins, you're suffering with a nervous condition, you have complications, so

the doctor says. Your name is Mrs. Osborne. Go home and be well, Jesus Christ makes you well.

212 Shame on you! Have faith in God. Don't doubt. If thou canst believe, all things are possible.

213 The lady setting there with her hair swept up like *this* way, looking right at me, there's something, when It struck this woman, struck that woman, too, and I looked around, I seen the Light over her, I don't know. There's something the matter with that woman, that just left the platform, is the matter with that woman, too. You're suffering aren't you, sister, sick? Yes, I see it now. You believe me to be His prophet? You have gallbladder trouble. If that's right, raise up your hand. All right, you're healed, Jesus Christ makes you well.

You believe?

214 If you want to believe me to be His servant: that struck your friend setting there by you so close, it also healed her of a breast trouble she had. Huh! You believe it lady? You accept it? Raise up your hand if you do. All right. Go home believing, you can be made well. I just ask you to believe, that's all.

He's in the audience.

215 You see this little lady setting here praying with all of her heart? She's not praying for herself, she's praying for a—a sister that's got cancer. Yes. Kind of a strange feeling wasn't it? All right. Now go, believe. That's all right.

216 *Hmm!* Strange, another woman appeared by Him, He's right behind her there, praying for the same thing. You believe also, Sister, you can have yours.

217 Oh, tell me what they touched? How? They're twenty feet away from me, or thirty, how could they touch me? They never touched me, but they did touch the High Priest, Jesus Christ, that can be touched by the feeling of our infirmities.

218 I don't know you, we're strangers one to another. If the Lord Jesus will reveal to me something . . . You realize you're in His Presence, one thing wrong, you could drop dead by it, you know that. That's right. You going to believe with all your heart? Your trouble is in your back. That's right. A kidney out of line. That's right. You believe you're going to be healed? Mrs. Combs, you can go home, and be well. Pray for that woman, there, uh-huh. It's your faith.

219 I don't know you. Oh, what—what—what if it . . . ? Oh, well. You think your mother will come out of that stroke, and be all right? All right. Go, believe it, you can be made well. God bless you.

220 Can God heal cancer, and make you well? [The sister says, “I believe.”—Ed.] All right. Go, believe it with all your heart, and be made well. If thou canst believe!

Come, lady. There’s about eighty percent of this audience suffering with the same thing, lady. Let me show you.

All of you out there that’s plagued with nervousness, raise up your hands, everybody.

221 See? That’s your trouble. Comes on about this time of life anyhow, but you been nervous for a long time. You believe you’re over it now? Go thanking the Lord. Say, “Thank you, Lord Jesus.”

Can God heal your back, and make you well? [The brother says, “Yes.”—Ed.] All right. Just go believe it then, with all your heart.

I see your trouble, but that’s not what it is, you’re so nervous you don’t know how to hold yourself together. Go, believe, it’ll be all right.

222 That . . . this same lady here had a nervous trouble, she’s got other troubles, complications, but she’s actually wanting me to pray for nerves. Is that right? Believe it, and go be made well. Just believe with all your heart.

223 I don’t know you, do I? You believe God will heal that female trouble you got, make you well? [The sister says, “Yes.”—Ed.] Then go, believe, have faith.

You believe out there, every one of you? Having faith?

224 That lady setting right there has got female trouble, too, she’s praying for. That’s right. Lady, kind of, that’s got something laying over your lap. That’s right. You, you! Looked around to the next woman. Believe! No, right here, you that’s got your hand laying back *that* way, believe with all your heart. Go home, yes, sir, and be made well. Jesus Christ heals.

225 What do you think, out there praying for your wife that’s backslid? You think she’ll come back home, and be . . . Stand up on your feet. All right. I give her back to you, in the Name of Jesus Christ.

Go, believe, Sister, be made well. Jesus Christ heal you, and make you well.

226 Now, that’s about the way she has to get out of a bed of a morning, too. Uh-huh. It’s arthritis, but God can heal arthritis, can’t He? All right, if you . . . Well, just go believe Him, then. Just go, say, “Thank you, Lord.” Believe Him.

227 What if I didn’t even say one thing to you, just said . . . laid my hands on you, you believe you’d get well? Come on by then. God bless you. Go, receive it, Sister, in the Name of Jesus.

228 Now, here it comes again, another nerve condition. That's right. How many in the audience out there, all your heart, with all that's in you, and you believe with all the strength that you have that God's a Healer of nervousness? Raise up your hands like *that*. If He can heal this woman here . . . Now, through that . . .

229 Come here a minute. Um-hum, you got other little troubles too, haven't you? Female. See how I could tell that? To show you something, look here, when you put your hand on mine, look here, see my hand? See how normal it looks, like any man's hand? Now, put this hand on here. Now, look at it. See how it swells up, and them little white things run over it? Now, watch, take this other hand over here and put it on it. Doesn't do it on that one, does it? Doesn't do it on that one. Well, why will it just do it on this one, then? That was the first gift that was give me, see, it's your contact, your right hand to my left, you're pledging your faith, that you believe what I tell you. I take your left hand, and raise mine to God, my left is to my heart. See?

230 Now, you see something happens, shows physically what's wrong there. Isn't that right? Now, if you, that's right, you say it to the people. Is that . . . ?

Watch when she's looking here. Look at my hand yourself.

231 Now take your hand off there. Now take this other hand, put on it. Doesn't do it there. You're just as much human in *this* hand as you are in *this* hand. See? Now then, you see there's something physically shows, that's anointing, that's by a promise.

232 Now you come here, now you watch my hand. You believe now, with all your heart? I'll lay my hand right here so you'll see it. It's not you . . . See, it's not the position I'm holding my hand in, ever where it's at, just the same. Now, if that goes away, if it comes back like this other hand, well then it'll be . . . you'll know something's happened, won't you?

233 Now, I don't know whether you can see it or not, as she puts her hands on mine, swells up, and little white things going, "*Rrrr, rrrr, rrrr.*" She doesn't realize, she knows she got a female trouble, but she don't know what it is. See? It's a tumor. See? Now, there it is, moving. She's had troubles there. Now, now look, I'll take my hand off of her, look at my hand now. Now, let her take this other hand *here* and put that hand on. Not one speck of difference. See? *This* one doesn't show it, *this* one does. Is that right, lady? You're here to look at it. [The sister says, "It does, yes, sir."—Ed.] See? Little white things running over my hand, going, "*Rrrr, rrrr, rrrr.*"

234 What is that? That's a life inside of her that doesn't belong there. Now, the doctor calls it *tumor*, *cancer*, so forth like that, but Jesus called

it a *devil*. What? It's a life. What is she? She's a life, a multiplication of cells. What's a tumor? Multiplication of cells. What's a cancer? Multiplication of cells. What's a cataract? Multiplication of cells. See, that's a life in there. It's the anointing here now of Eternal Life, and there's a Life here that's Eternal Life, and there's a life there that's death. See? So that's the difference.

235 The woman's a believer. See? She's nervous, been that way a long time, especially since menopause, got astigmatism in her eyes, she has dizzy spells. Oh, my, that's easy. See? But the thing of it is, is watch now, and see. Now, I cannot make it go, or, I cannot make it stay away.

236 Now, I just want to hold my hand so you can see what I spoke of a while ago it true. Can you hear me? I'm going to hold my hand here, and just let the woman pray and see if it leaves. Just pray, say, "Lord, help me." Now, she prays. See? Now, let her look herself, I ain't looked at my hand. Still there. See? Now, I'll pray:

237 Father God, hear my prayer, I pray for this woman that you'll help her, according to her faith. Amen.

238 Didn't move, did it? Still there. Now, I'm not going to move, you just watch my hand. Now, just show you what He said, going to make sure it's He now. Now, what'd He tell me? He promised me this. I can't make it stay away from her, but if she sees it leave she'll . . . Now, I want you to watch my hand. You, watch my hand.

239 Almighty God, not to make a show here, but this will probably be my last time in this city. I pray Thee, Lord, to make Yourself known, that I've told the truth to this people, they're watching my hand, the woman is, too. But Your Words are so true. Sometime when a little weary, a flusteration hinders . . . But Your promise still remains true, "In My Name they shall cast out devils." Now, You promised that, You confirmed it to me by an Angel that night at Green's Mill, standing in that cabin.

240 Satan, you can't hold her any longer, come out of her, in the Name of Jesus Christ.

241 Now let the lady be the judge, it's gone. Is it gone, lady? [The sister says, "Absolutely."—Ed.] I've never moved my hand, now look, gone. Put your other hand on it. Not there, is it? You're healed.

242 See what I mean? You believe? Now, how many believers is here? Raise up your hand. Has not the Bible declared it? Has not God worked with the Seed of Abraham the same as He did with Abraham? Isn't the same Angel that met Abraham at—at, just at the age of Sodom, before it was destroyed, isn't that the same works here, He's doing tonight? Is it the same? Is it? Do you believe it? Are you Abraham's Seed? God

said, "These signs shall follow them that believe, if they lay their hands on the sick, they shall recover."

²⁴³ How many out there is sick? Raise your hands. How many is setting by them that's a believer? Put your hands over on one another. That's all, just lay your hands on, that's all you have to do. That's . . .

²⁴⁴ Just say, you say, "Well, Brother Branham, I—I want to be baptized." I'd just baptize you, that's all, then you're baptized. Is that right? Then you're a Christian. Well then, if you say, "Well, Brother Branham, repent, and be baptized." That's what the Bible said, "Go ye into all the world, preach the Gospel to every creature, he that believeth, *and* is baptized shall be saved." Is that right? Well then, if you believe, and are baptized, the Bible said you're saved. Is that right?

What's the order of baptism? Just putting them under the water, bringing them back up, baptized.

What is the order, then, for sick? "These signs shall follow them that believe, if they lay their hands on the sick, they shall recover."

"If Brother Branham lays his hands?"

He never said, "Brother Branham," He said, "whosoever."

²⁴⁵ So these signs shall follow *them* that believe. You're a believer, same as I am, you have the same rights to lay your hand on anybody as I do. Each one of your ministers, these pastors, anybody else, they have the right to do it. You believe that? Then I want you to lay hands on one another, bow your head, don't pray for yourself now, you pray for the next person that you got your hands on, 'cause they are praying for you. You believe that with all your heart. I commit you to Jesus Christ, as I pray for these cloths here and handkerchiefs.

²⁴⁶ Heavenly Father, these handkerchiefs that's been brought to me, the people are believing just like they did in the days of Paul. They seen Paul have those visions, and they knowed that he—he was sent of God; these people believe the same thing. Now Lord, You're the same God to us, because Abraham was the father of many nations. And they brought from Paul's body, handkerchiefs, aprons, and they was taken to the sick and the afflicted, and devils went out of the people, unclean spirits, diseases was healed. Now, I rebuke every devil . . .

ABRAHAM'S COVENANT CONFIRMED

61-0318

This Message by Brother William Marrion Branham was delivered on Saturday evening, March 18, 1961, at the National Guard Armory in Middletown, Ohio, U.S.A. This sermon, number 61-0318, is one hour and fifty-nine minutes. Every effort has been made to accurately transfer the verbal Message from the magnetic tape recording to the printed page, and is printed herein unabridged and distributed by Voice Of God Recordings.
