

# Healing

Healing is of God alone. God alone has purchased for us our healing. It's up to us to do everything that we can, in our life, and in every way that God has give us, for our healing, but it's God that heals"

God alone has purchased for us our healing. It's up to us to do everything that we can, in our life, and in every way that God has give us, for our healing, but it's God that heals. If God calls you to go home tonight, there isn't enough medicine in the world to keep you here. There's nothing going to keep you here. And if He determines you to stay on the earth, no matter how many physicians says you're going tonight, you're not going. So it's just all up to God"

There's only one Healer; that's God." They can sew a place up in your hand, but they can't heal it. They can only sew it up. A dentist can pull a tooth, but who's going to heal the place? A doctor can take appendix out, but who's going to heal the place he cut? God does. Medicine doesn't grow tissue; medicine's only a aid. God is the Healer"

Now, anyone knows that there's no man that heals another. There's not even a doctor that can heal you. Healing is of God. "I'm the Lord Who heals all thy diseases." There's no doctor that will tell you that he has the medicine that'll heal you. If he does, he misinforms you"

All these gifts are wonderful, but I want Father. I love these gifts, the hearing and the manifestations, the praising God, and shouting, and healing, and speaking with tongues, and the interpretation of tongues, and all the different gifts. I love to set and watch them. I have not them, but I love to watch them in operation in the Church. But after all that, I want Jesus. I want it. His gifts are fine, but I want the Giver in here"

**Will I Find Faith When I Return 51-0508**

I've found two wires that'll bring the visible power of God for Divine healing into the individual. That's two things I find. One of them is love. The other is faith. And they're sweethearts. And when love gets married to faith, love always accompanies faith. When you love God enough to know that He can't lie to you, it'll create a faith in there, that'll make you believe His Word, and every Word He said is positive Truth, and you accept It with an unadulterated faith that won't say no, it'll produce just exactly what He said It would do. The deep calleth to the deep. "Forget not all of His benefits. Who forgiveth all of thine iniquities, Who healeth all of thy diseases." In the church, God has set people in the church for different things"
