This time we have two more tables of law--the New and Old Testament. And that's God's Urim Thummim to me. If God doesn't speak back through His Word when we see something, then just leave it alone. But as long as It's the Word, then I know that heavens and earth will pass away but His Word will never fail. Therefore, I believe the Bible to be the absolute truth

The devil's kids, what happened to them? They all become smart educators, scientists, and so forth. Follow Seth's children: humble peasants, sheep raisers, and so forth. They was so highly polished until they missed the simplicity of it, and sometimes walk over the top of it, make fun of it.
